## STATEMENT OF REGULATORY COMPLIANCE

These forms are to be filled out by the purchaser of a CFC, HCFC or HFC refrigerant, whether in a container or contained in a pre-charged component, when such purchase is intended solely for the eventual resale to a certified technician or for use in a piece of OEM equipment, or for the corporation who contracts a certified technician to complete it's service installation.

- Check one:
- OEM
  - Reseller
  - Corporation who has a service contract with a contracting company that employs at least one EPA certified technician to complete installation (you **must** fill out side 2).

In accordance with 40 CFR part 82.154, I, \_\_\_\_\_, as the purchaser,  
(Name of person receiving restricted product)

on behalf of \_\_\_\_\_, certify that the container(s) or pre-charged

(Name of company or person purchasing product)  
component(s) containing a CFC, HCFC or HFC refrigerant are being purchased from United Refrigeration, Inc. for the sole intent of eventually reselling the product to a certified technician or an appliance manufacturer, or a corporation who has a service contract with an EPA certified technician who will complete the service installation.

- Exempt

Under the Clean Air Act, Section 82.154(C) or if sale is in CA, RMP Section 95391, if the refrigerant purchased is for export or will not be used to cool a process, a technician certification card is not required.
